Build A Legacy In Your Name

Consider making Experience, Inc. the beneficiary, or one of the beneficiaries, of your estate through our Endowment Fund.

This is a meaningful way to get the most out of your gift, where the pool of funds from multiple donors provides the most investment potential.

Your support will give a lasting income to Experience, Inc. programs, enabling us to serve others - in your name - for years to come.

Community Impact

This is an easy way to help the community. By supporting the continuation of our direct services for those who need it the most - the frail elderly and the disabled, you are helping the community, and seniors, to stay whole.

The pooling of gifts by multiple donors makes each donation more powerful, ensuring the Agency has a permanent impact on the community while providing you with a taxable deduction.

How an Endowment Fund Works

A bequest to the Experience, Inc. Endowment Fund will provide your personal legacy to help other local seniors through the Area Agency on Aging services and programs.

This form of long-term support for the aging utilizes the interest of the account only, while not touching the principal, enabling the fund to grow and provide the Agency's services and programs for many years.

Supporting the on-going services provided through Experience, Inc. is easy.

Endowment Fund Supporting the Future!

Impact lives by providing sustainability to Experience, Inc. and its programs. Your gift will help secure services for future generations through commitment to our communities.

Providing long-term support for our aging population makes it possible for our citizens to be independent and active in their senior years.

Giving a bequest to support the Experience, Inc.-Area Agency on Aging Endowment Fund will benefit those served by the Agency and will forever create a personal legacy in your name.

Many types of contributions to the Agency Endowment Fund will provide tax benefits to the donor.

About Experience, Inc. Area Agency on Aging

Experience, Inc. was established in 1968 to provide services to meet the many needs of the citizens in Warren and Forest Counties, especially its senior citizens.

The Area Agency on Aging has a wide range of programs that enhance the quality of life for anyone 60 or older wanting to stay independent as long as they can.

Trained to recognize areas of concern and need, the professional staff can also provide referrals for appropriate and available services.

Your gift to the Endowment Fund will become a charitable legacy, sustaining our services for future generations.
