Community Seniors
in Warren and Forest Counties**

Blueberry Hill Golf Course

Friday, July 10th 2020

Registration 11:00 -11:45 AM 12:00 Start

Dear Friend,

Experience, Inc your local Warren and Forest Counties Area Agency on Aging is proud to have consistently served our community seniors in Warren and Forest Counties for 52 years.

We are asking your support to help us fundraise for our Nutrition Program. We sponsor Home-Delivered meals for seniors that are homebound and the meals we serve daily in each of our five Senior Community Centers. Many of our local seniors rely on receiving these meals. As our local population of people over the age of 60 increases so does the demand to provide nutritious meals.

In 2018 we served 47,771 meals!

In 2019 we served 50,801 meals!

We need your help so that no senior goes hungry.

Our annual benefit golf tournament has been instrumental in increasing the awareness of our senior's community need for continued and growing support to provide nutritional meals.

Please see the attached sponsorship levels and how you or your business can benefit from donating to this worthy cause. Or if your business would like to put a 4 person team together and spend a fun day with us out at Blueberry.

Experience, Inc is a nonprofit organization.

Your donation is tax exempt.

We will also gratefully accept gift donations from individuals and businesses to give out as tournament prizes.
